

# LINEN TABLE TEXTILES BY LINO TAKAS

## ABOUT LINO TAKAS

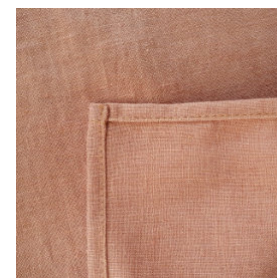

Lino Takas is a Lithuanian brand with over two decades of experience in linen manufacturing and production. We are highly focused on quality products made from eco-friendly fabrics, which will create a stylish look for your home. Our products are made at the local manufacturing plant with possibilities of making wide variety of products.

Table & kitchen linens can be highly customised. We offer custom color fabrics, custom woven fabrics, printed fabrics. Many variations in product design can be created based on your preferences.

With the help of our partners here in Lithuania, labels and packaging can be created to match your brands vision for new collection.
